

BE WHO YOU WANT TO BE

Congratulations on completing your exams!

Your first thought when deciding what to do after school is often to pick between work or further education.

With so many choices and decisions to make, it might feel stressful, overwhelming or confusing at times.

However, it doesn't have to be like that.

We offer impartial **information, advice and guidance** to get you on the right path to **being who you want to be.**

What next? Simple. Contact us:

SKILLS TRAINING

Regular courses delivered in an adult education environment, designed to provide not only a qualification but also the skills employers seek. You can gain qualifications in Construction/CSCS, Business Administration, Health and Social Care, ICT, Customer Service and many more.

"Not only did I gain my qualification but the tutor shared a wealth of knowledge and motivation that will carry me forward throughout my career."

Terrance Sandford,
Level 1 Customer Service

TRAINEESHIPS

Designed to develop the knowledge and behaviours employers are looking for, these are ideal if you have previously been unsuccessful when applying for an Apprenticeship or other job. Candidates earn work experience and an employability qualification.

"If school had been like CT Skills I would've enjoyed it and achieved more while I was there."

Matt Bennett,
Business Administration Traineeship

SBWAs

Sector Based Work Academies are industry relevant training programmes which include a qualification followed by a guaranteed interview! Opportunities are available with local and national employers who have job vacancies across all industries.

"I was pessimistic about my own chances of getting my qualification but because of the help from my tutor I passed everything and I'm now working in construction."

Tyler Atherton,
Construction SBWA

APPRENTICESHIPS

An apprenticeship is a job with a salary where you learn whilst at work. You will be supported in gaining new skills and qualifications that will benefit you throughout your whole career and life. There are four levels of apprenticeship: intermediate, advanced, higher and degree.

"After finishing my A Levels, CT Skills helped me to start a career doing something I love."

Chelsie Wallace,
Intermediate Apprentice
