

Careers Leaders Catalogue

Schools

1 | About The Careers & Enterprise Company

Our mission is to prepare and inspire young people for the fast-changing world of work. We help to connect schools and colleges to employers and external careers providers to bring inspiration and insight to young people by:

1. Rolling out employer engagement everywhere

2. Scaling up Gatsby Benchmarks and Careers Leaders

3. Testing, evaluating and sharing best practice

For further information on
The Careers & Enterprise Company:

www.careersandenterprise.co.uk

2 | Registration Process

In early May, The Careers & Enterprise Company set up a database of Careers Leaders interested in attending Careers Leader training programmes. An email was sent to all schools and colleges notifying them of the opportunity to register their interest in the Careers Leader training programme on The Careers & Enterprise website [here](#).

Careers Leaders were asked to register their interest using an online form and asked to confirm five criteria regarding their school or college at the point of registration.

Over 1,000 Careers Leaders have registered their interest. The database of registrations will be used to prioritise training places based on meeting the prioritisation indicators at the date of registration.

To ensure The Careers & Enterprise Company develops and maintains an accurate database of Careers Leaders interested in receiving training and prioritises places on a first come first served basis, all Career Leaders receiving training funded by The Careers & Enterprise Company will need to have registered their interest on this central database.

The Careers & Enterprise Company will not be able to offer funded training to any individual that is not registered on the central database.

The Careers & Enterprise Company will accept ongoing registrations through to December 2019 subject to availability of places.

3 | Introduction to the Careers Leaders Catalogue

The Careers & Enterprise Company is delighted to be funding training programmes for Careers Leaders in schools and colleges. This document sets out the details of the training providers and programmes being offered.

We have sought to create a minimum offer to all Careers Leaders. We are proposing that regardless of location a Careers Leader should have a choice of:

- Accreditation - access to both an accredited and non accredited training
- Accessibility to training (training location) – access to provision within their region in addition to national provision

In addition we are proposing each Careers Leader has a choice of:

- Accreditation level - access to both L6 and L7 provision
- Provider type - at least one leadership & management , career based and HE based provider in any one region
- When they study - access to training that takes place in or out of school / college hours
- Residential – access to a training programme that offers learners a residential option

How it works

We encourage you to select the programme that is most appropriate to you and your school. Contact details for each provider are included in this catalogue.

Careers Leaders awarded a place will be able to review the offers via this catalogue of training programmes and will be required to complete their choice through an online form. The form will also confirm the name and contact details of their sponsoring SLT member. This will confirm that the school supports the choice of the provider and provides an additional contact.

Contact the training providers directly before making your final choice. The named contacts at each provider included in the catalogue will be more than happy to provide further information about their training programmes.

3 | Introduction to the Careers Leaders Catalogue

Coordination

This catalogue of training offers will also be communicated to those coordinating careers activities across a group of schools and colleges. This will include Hubs, Opportunity Areas, Enterprise Adviser Network and any multi-academy trusts that have notified The Careers & Enterprise Company that they wish to coordinate training programmes across their schools.

Where the Careers Leaders, schools or college is in a Hub, Opportunity Area or multi-academy trust where there's coordination, the lead coordination, is responsible for engaging the relevant Careers Leaders and training providers to coordinate training programme choices. The Careers & Enterprise Company will not provide any additional coordination of training programme offers.

Next steps and how to book

We encourage you to select the programme that is most appropriate to you and your school. Careers Leaders who have been awarded a place should:

- Review the relevant Careers Leaders Catalogue, which provides an overview of the programmes being offered
- Review provider flyers, which provide additional insight of each provider's funded programme/s
- Make their choices on the online selection portal
- Contact the training providers directly before making your final choice. The named contacts at each provider included in the catalogue will be more than happy to provide further information about their training programmes.

Schools can contact providers directly to book additional places.

4 | Regional Offers

The following table sets out the programmes available in each region

Key  Higher Education  Leader & Management 	Accredited				Non- accredited

CLT07 - Canterbury Christ Church University

Programme 1 – Non-accredited London delivery

Summary of Programme	This course focusses on careers work in and around London. A clearly structured timetable focusses learning in the face to face sessions, leaving you free to put your learning into practice in your school between sessions and to reflect on the development of your role and the quality of the career provision in the school. Over a period of 7 months you will gain an in depth understanding of the scope of careers work and build networks across London that will support its development.
Key outcomes of programme	<ul style="list-style-type: none"> ▪ Review, evaluate and develop current provision ▪ Clarify your role and responsibilities to lead and manage careers provision ▪ Learn about the full scope and potential of careers work ▪ Understand the resources, support available, and how to utilise them in your establishment
Target group	Schools, Colleges & SEND schools
Regional Availability	London
Expected Delivery Location (s)	London

CLT07 - Canterbury Christ Church University

Programme 2 – Non-accredited, flexible delivery, virtual learning environment

Summary of Programme	This course provides you with a flexible approach to learning and integrates the learning into your careers work in your school on a day by day basis. Each month you will complete a face to face learning session and another learning session accessed remotely. You will be able to put your learning into practice between monthly attendances and reflect on what you are learning and what it means to your role, your school course and the learning of your students.
Key outcomes of programme	<ul style="list-style-type: none"> ▪ Review, evaluate and develop current provision ▪ Clarify your role and responsibilities to lead and manage careers provision ▪ Learn about the full scope and potential of careers work ▪ Understand the resources, support available, and how to utilise them in your establishment
Target group	Schools, Colleges & SEND schools
Regional Availability	London, South East
Expected Delivery Location (s)	Remotely (virtual learning environment) and London and/or Kent (face to face sessions).

CLT07 - Canterbury Christ Church University

Programme 3 - Non-accredited, flexible delivery

Summary of Programme	A clearly structured timetable focusses learning in the face to face sessions, leaving you free to put your learning into practice in your school between sessions and to reflect on the development of your role and the quality of the career provision in the school. Over a period of seven months you will gain an in depth understanding of the scope of careers work and build networks within the group or region that it represents, which will support its development.
Key outcomes of programme	<ul style="list-style-type: none"> ▪ Review, evaluate and develop current provision ▪ Clarify your role and responsibilities to lead and manage careers provision ▪ Learn about the full scope and potential of careers work ▪ Understand the resources, support available, and how to utilise them in your establishment

CLT15 - International Centre for Guidance

Programme 1 - Accredited

Summary of Programme	<p>Careers leaders from all schools, colleges and SEND schools will benefit from learning together. Students will take the learning from taught sessions and apply it in their own schools. This approach encourages a greater understanding of:</p> <ul style="list-style-type: none"> ▪ the issues of transition between secondary and tertiary providers ▪ the differences between vocational, foundation and academic learning options and requirements ▪ the application of good practice from different types of organisation <p>The programme includes both formative and summative assessment. Assessments have been designed to ensure that learners can demonstrate a wide range of professional understanding, knowledge and skills for practice including, report writing, professional resources and the use of models for reflective practice.</p>
Key outcomes of programme	<ul style="list-style-type: none"> ▪ The learning takes place through the participant's contextual location and application of new ideas, theories and concepts to their own setting ▪ The teaching approach provides opportunities for Career Leaders to meet and explore issues and to share practice from their settings as well as to develop new knowledge and skills ▪ The work-based element allows practical application of learning and further exploration in an appropriate setting ▪ The programme will utilise Enterprise Advisers and other local employers to provide inputs which help Careers Leaders to locate their practice within the broader context of work readiness

CLT15 - International Centre for Guidance

Programme 1 - Accredited

Target group	Schools, Colleges & SEND schools
Regional Availability	West Midlands, East Midlands, North West, North East
Expected Delivery Location (s)	Newcastle, Derby, Manchester and Birmingham (to be confirmed) with cohorts of between 15 and 20 learners. Where insufficient numbers do not allow for cohorts in specific regions to take place, those wishing to complete the accredited programme will be invited to attend a programme offered in Derby.

CLT15 - International Centre for Guidance

Programme 2 – Non-accredited

Summary of Programme	<p>Careers Leaders from all schools, colleges and SEND schools will benefit from learning together. Students will take the learning from taught sessions and apply it in their own schools. This approach encourages a greater understanding of:</p> <ul style="list-style-type: none"> ▪ the issues of transition between secondary and tertiary providers ▪ the differences between vocational, foundation and academic learning options and requirements ▪ the application of good practice from different types of organisation <p>Assessment is through the submission of a portfolio of artefacts which are the products of evolving applied practice such as policies, schemes of work, lesson plans, newsletters and minutes of meetings. Portfolios will provide evidence for schools undertaking an Ofsted inspection or the Quality in Careers award.</p>
Key outcomes of programme	<ul style="list-style-type: none"> ▪ The learning takes place through the participant’s contextual location and application of new ideas, theories and concepts to their own setting ▪ The teaching approach provides opportunities for career leaders to meet and explore issues and to share practice from their settings as well as to develop new knowledge and skills ▪ The work-based element allows practical application of learning and further exploration in an appropriate setting ▪ The portfolio produced provides evidence for Ofsted and quality award submissions

CLT21 – Nottingham Trent University

Programme 1 – Accredited, fixed location - Nottingham (central city location)

Summary of Programme	This accredited programme has been designed with the busy professional in mind. A platform of carefully constructed bite-size activities enables the synthesis of theory and practice, supporting the reflection and application of ideas to your own school context. The three days face-to-face contact are vital in establishing supportive relationships and promoting the sharing of good practice, which is key to successful outcomes. On-going support and feedback is embedded within the structure. Students can gain accreditation and these credits can be transferred onto the Masters/Postgraduate Certificate in Career Development or the QCD - all available via a blended learning route.
Key outcomes of programme	<p>The course will equip Careers Leaders to:</p> <ul style="list-style-type: none"> ▪ Apply knowledge and understanding of key theoretical, political and ethical positions in the context of their role ▪ Evaluate the school's careers provision utilising the Gatsby Benchmarks and generate action plans to enhance provision ▪ Apply understanding of leadership skills to advocate for, and manage strategic and sustainable change within the school ▪ Enhance personal effectiveness within their role as a career professional
Target group	Schools, Colleges & SEND schools
Regional Availability	All
Expected Delivery Location (s)	Nottingham Trent University City Campus

CLT21 – Nottingham Trent University

Programme 2 – Non-accredited, fixed location – Nottingham (central city location)

Summary of Programme	This non-accredited programme has been designed with the busy professional in mind. A platform of carefully constructed bite-size activities enables the synthesis of theory and practice, supporting the reflection and application of ideas to your own school context. The three days face-to-face contact are vital in establishing supportive relationships and promoting the sharing of good practice, which is key to successful outcomes. On-going support and feedback is embedded within the structure.

CLT27 - Teach First

Teach First's programme (To participate in the 18/19 academic year, you must select this programme by 20th September)

Summary of Programme

The Teach First Careers Leader Programme brings 16 years of leadership development expertise and three years proven impact working with schools to improve their careers and employability provision. Careers leaders will design, implement and evaluate a whole-school improvement strategy, building a coordinated approach to achieve all 8 Gatsby benchmarks. The programme commences annually at the beginning of the academic year and includes:

- Evaluation of current practice
- Personalised support to develop a long-term strategy
- Professional peer network and alumni community
- Access to sector experts through face-to-face and online CPD modules
 - Developing school-wide vision
 - Developing a careers programme
 - Building external partnerships
 - Embedding careers into the curriculum
 - Communicating progress and reaching every child
 - Launching a sustainable strategy
- Resources, and training opportunities

In line with Teach First's charitable mission, our programme is tailored and prioritised for schools serving high numbers of pupils from the lowest socio-economic backgrounds.
